

Dear Potential Sponsor,

The Lawfield Minor Hockey Association (L.M.H.A) is celebrating our 50th Anniversary this year!

We are excited to announce that our sponsorship team is growing and we are prepared to work hard together to continue to build Lawfield into a strong organization where players develop new friendships, improved fitness and self confidence! Organized sports are an important part of our community and for the future of our children! As with most organized sports, the costs of playing minor hockey have increased and it can be challenging for many families to participate. Sponsorships from local businesses like yours help defer some of these costs for families, and help Lawfield to maintain a place where players of all ages and their fans can call home! All while giving your business great advertising exposure to over 300 Lawfield families weekly, public skates and different sporting events that bring a good amount of attendance and exposure to our arena throughout the year!

We have developed different packages for our sponsors to choose from along with a Limited 50th Anniversary Special. We are offering our Silver package at the Bronze Rate! [Sponsorship Options \(Lawfield Minor Hockey\)](#)

It is our hope that you will consider this opportunity! We are excited to work with you to help drive business to your establishment while keeping the love of hockey alive in our community.

If you choose to sponsor our great organization please complete the form attached.
